### **When will dates be decided for the 2021 ANA Policy, Innovation and Advocacy virtual forum?**

The ANA Policy, Innovation and Advocacy virtual forum will take place September 14, 2021. Registration will open in May.

### **Will there be a call for abstracts for the 2021 ANA Policy, Innovation and Advocacy virtual forum?**

The call for abstracts was conducted for the original 2021 in-person conference. The abstract call is closed, and abstracts are currently being reviewed and selected for the virtual event. We expect to make decisions on the abstracts in early 2021.

### **What were the primary factors considered in rescheduling the ANCC Pathway to Excellence and Magnet conferences to November 2021?**

As announced in July, we continue to monitor the critical factors and feasibility of holding in-person conferences in 2021. Due to ongoing COVID-19 pandemic concerns in the late summer and fall, we have made the difficult decision to reschedule to November 2021.

Many factors were considered in this very complex decision and three stood out: 1) Safety and security of attendees; 2) Financial constraints facing attendees; and 3) Feasibility of live events requiring social distancing measures, including alternative venues/platforms. After weighing the data, we determined--based on current information and in service to our attendee--we would host the ANA Policy, Innovation and Advocacy virtual forum September 14, 2021. The co-located ANCC National Magnet Conference and ANCC Pathway to Excellence Conference will be held in-person, November 11-13, 2021, in Atlanta.

### **When will registration open for the November 2021 ANCC National Magnet Conference and the Pathway to Excellence Conference?**

Registration will open in June 2021. If you registered for the 2020 Pathway Conference, please see the question about prior registration, below.

**Will health care organizations that received their designations in 2019 and 2020 be publicly recognized at the 2021 conference (i.e., walk the stage)?**

Yes! All organizations receiving Magnet® designation or redesignation (between September 2019 and June 2021) or Pathway designation or redesignation (between February 2019 and June 2021) will be publicly recognized at the in-person conference. The ANCC program teams will work with your organization if you are unable to attend.

**What is the plan for the 2020 Awards: ANCC Pathway Award®, ANCC Magnet Prize®, Pathway Nurse of the Year™, and National Magnet Nurse of the Year®?**

The 2020 ANCC Pathway Award, 2020 Pathway Nurse of the Year Award, 2020 ANCC Magnet Prize, and 2020 National Magnet Nurse of the Year Awards winners have been selected. We will be hosting an online awards event on May 14, 2021 to honor all our 2020 award winners. Registration is free and will open in mid-February 2021.

All **2021** award winners will be publicly presented at the November 2021 conference.

All who had accepted presentations have received an email to verify that they will present.
